Commission and Settlement

## Earning of Hostesses

01

### Earning of Hostesses

Hostesses earn the Beans by video calls and gifts. The earning of their video calls range from 1,200 Beans/min to 4,800 Beans/min. A hostess can set any price in between this range which she thinks her callers can afford. Moreover, hostesses can also earn the Beans by receiving gifts, which have different values of the Beans.

02

### The Value of The Beans

10,000 Beans=1 USD

## The Commission Ratio of Agencies

The commission ratio of agencies is floating according to the total weekly revenue of an agency. This total weekly revenue is made up of two parts:

- 1 Part One**  
Total weekly earning of all his hostesses.
- 2 Part Two**  
Total weekly revenue of all his sub-agents.

## The Commission Ratio of Agencies

Your commission ratio depends on the total weekly earning of your hostesses and sub-agents. Check the chart below to know the details.

Class	A	B	C	D	E	F	G	H	I	G
Total Weekly Earnings	<USD 150	USD 150	USD 500	USD 1,500	USD 5,000	USD 15,000	USD 50,000	USD 150,000	USD 500,000	USD 1,500,000
Commission Ratio	0	5 %	10 %	15 %	20 %	22 %	24 %	26 %	28 %	30 %

### Calculation of Your Commission

Your total amount of commission is also made of two parts:

1

#### Part of Hostesses

your corresponding commission ratio \* total weekly earning of all of your hostesses

2

#### Part of Sub-agents

Your commission fees from EACH sub-agent:  
(your commission ratio – your sub-agent's commission ratio) \*  
this sub-agent's total weekly revenue

(You may need to calculate this part more than once depending on how many sub-agents you have)

The sum of both parts is your commission and we pay the commission SEPARATELY. So you should NOT deduct salaries of hostesses, or we will stop cooperating with you!!!

## Commission and Settlement

### Settlement and Payment

- 1** The time point of settlement is every Sunday at 23:59 (UTC+8).
- 2** We pay the salaries and commissions of yours to your Payoneer account every Thursday automatically, so you have to do nothing. Moreover, we practically deduct the Beans from hostesses' accounts after we have made the payment to your Payoneer account.
